Re: Presentation to Sea Island Rotary Club on February 25, 2014

Dear Steve:

On behalf of President Michael Mashke and The Sea Island Rotary Club, thank you for attending our meeting on Tuesday, February 25, 2014 and for your excellent presentation. Your presentation not only inspired us but provided very useful information in seeing the risk to young people of early alcohol and other substance abuse and the need for appropriate extensive treatment. You delivered your message most effectively and significantly to many of us, including the high school and middle school principals in attendance.

We appreciate your dedication with your Chris and Kelly's HOPE Foundation.

Again, on behalf of President Michael Mashke and our entire Club, thank you for your superb presentation. We wish you the very best personally, professionally, and for your Foundation in the years ahead.

Very truly yours,
